SAN JACINTO COLLEGE VOLLEYBALL

IN THE COMMUNITY

San Jacinto College volleyball student-athletes are committed to giving back to their community. Each year, the team participates in a number of events on and off the court. From supporting breast cancer awareness with the annual Dig Pink match and helping Veterans during the holiday season, to hosting a military appreciation weekend and participating in local parades, San Jacinto College volleyball student-athletes understand the impact they have on their community.

SHARON NELSON
HEAD COACH

Eastern New Mexico University (1993)
Overall: 404-142 (14 seasons)
Conference: 147-17 (14 seasons)

Now in her 15th season at the helm of the San Jacinto College volleyball program, Head Coach Sharon Nelson has established herself not only as one of the best coaches in San Jacinto College volleyball history, but among the best in the National Junior College Athletic Association (NJCAA). Her 404-142 overall record is sixth among active NJCAA Division I coaches. She was named the 2010 and 2012 American Volleyball Coaches Association (AVCA) Southwest Region Two-Year Coach of the Year and has earned eight Region XIV Coach of the Year honors.

Since arriving at San Jacinto College in 2002, Nelson's teams have won nearly 75 percent of their matches, claimed eight regional titles, nine conference championships, and finished in the top 11 at the national tournament in nine of the last 10 seasons–No small feat for a head coach at any level. As she does every season, Nelson has again positioned herself and her team to vie for a conference championship and a return trip to the NJCAA national tournament.

Last season San Jacinto College finished with an overall record of 28-15, ranked 18th in the country. With a sweep of conference rival Lee College on Oct. 13, 2015, Nelson earned her 400th career win at the helm of the San Jacinto College volleyball program. The team led Region XIV in kills (2,046), assists (1,936), digs (2,739) and points (2,601.5). Seven players - Manon Geoffroy, Brianna Moten, Ines Bawedin, Kerstin Jenkins, Erlicia Griffith, Samantha McMahon and Kayden Thomas - earned all-conference honors, and Geoffroy was named the conference Libero of the Year. Five student-athletes decided to continue on to four-year colleges and universities, signing National Letters of Intent.

San Jac finished the 2014 season with an overall record of 21-13, ranked 13th in the country. Five student-athletes – Ana Helena Ribeiro, Kacey LeBlanc, Hannah McRee, Brianna Moten, and Hanah Baker – earned all-region XIV honors, while Geoffroy was named a NJCAA All-American. Five players went on to sign National Letters of Intent to continue their volleyball and education careers at four-year universities.

In 2013, San Jacinto College finished the season ranked 13th in the country with a 22-10 overall record. Five players – Ana Helena Ribeiro, Elisa Woinowsky, Lea Lieb, Keili Harrison, and Jacie Pullig – earned all-conference honors, while Ribeiro was also named a first-team NJCAA and AVCA All-American. A record seven student-athletes signed National Letters of Intent to continue their education and volleyball careers at four-year universities, a statement to the success of San Jacinto College volleyball that Nelson has built. In addition, Nelson was selected as the two-year coach representative to serve on a recruiting panel during the AVCA / National Collegiate Scouting Association College Prep Combine held in Houston.

San Jacinto College spent most of the 2012 season atop the NJCAA polls. Nelson's squad entered the national tournament ranked No. 1 in the nation, was the number four seed, and finished third. It was the seventh-consecutive top-10 national finish under Nelson's tutelage. Five players signed National Letters of Intent to continue their education and volleyball careers at NCAA DI or DII schools, a testament to the academic and athletic training received at San Jacinto College. Nelson also had two NJCAA and AVCA All-Americans in Marie-Pierre Bakima and Marlaina Pleydle. Bakima was the Region XIV Most Valuable Player, an all-conference selection and the region's Player of the Year, while Pleydle was an all-conference selection and was named to the Region XIV all-tournament team. Bakima has since played professional volleyball in Peru and will play for a professional league in Spain this coming season. Krista Koopmann, Oni Lattin, Julia Menhart, and Shelbee Pier were also all-conference selections, and Menhart was selected as the region's libero of the year. Lattin will begin her professional volleyball career in Spain in the fall of 2016.

San Jac finished fourth at the national tournament in 2011, with an overall record of 32-5. Six players were named to the all-region XIV team, and San Jac grabbed the newcomer (Marie Pierre-Bakima), co-setter (Kanoe Pupuhi), and player (Jazmine Green) of the year. Bakima and Green were also recognized by COBRA Magazine and named to the All-Southwest Region team.

The 2010 season was the most successful under Nelson, as she guided her team to a 29-10 overall record, including another perfect conference season at 10-0. San Jac advanced to the national tournament for a sixth-straight year, finishing as the national runner up. The second place finish was the highest national finish for any Nelson-coached team. Six players were named to the all-conference team, including Alyssa Dibbern and Candace Soares who were also named NJCAA and American Volleyball Coaches Association (AVCA) All-Americans. Dibbern played two years professionally in Germany and will enter the premiere Spain league in fall 2016. San Jac earned the conference player, setter, newcomer, and coach of the year honors, and had six sophomores sign national letters of intent to play volleyball at four-year institutions.

In 2009, Nelson's squad finished 32-9 overall, and made its fifth-straight appearance at the NJCAA tournament. With only four returning players from the previous season, San Jac proved many people wrong. Six players earned a spot on the all-conference team, including Christie Dorch who was named the conference player and offensive Player of the Year, and Alyssa Dibbern who was named the Region XIV Freshman of the Year. Four players went on to earn scholarships to NCAA schools, and Nelson earned her fifth-consecutive Region XIV District M coach of the year.

In 2008, San Jac made its fourth straight trip to the national tournament, finishing with a 33-3 overall record, including a perfect 10-0 in conference play. Five players, including all four sophomores and one freshman, signed to play with Division II schools. Setter Abbey Parker led the nation in assists per game for most of the season, and Zuzana Cizova finished fifth in kills per game. Nelson was named the Region XIV coach of the year, Cizova was the conference's Player of the Year, Parker earned setter of the year honors, and Julia Teixeria was selected as a member of the NJCAA national all-tournament team. In addition, five players were named to the all-conference team.

In 2007, Nelson's squad came together in a big way. Led by a class of sophomores (of which four went on to play at NCAA Division I or II institutions), San Jac finished the season with a record of 30-13, and made its third-consecutive trip to the national championship where they finished sixth. SJC blew through its Region XIV opponents, winning all 13 matches, dropping only two sets along the way. San Jac was ranked in the top 20 throughout much of the season, and finished sixth at the national tournament. Two players were named all-region, and Nelson was crowned the Region XIV District M Coach of the Year for the third consecutive year.

San Jacinto College was the region champion in both 2005 and 2006, and Nelson earned the District M Coach of the Year both years. San Jac finished 11th and eighth, respectively, at the national tournament.

In 2006, freshman middle blocker Nyla Ware was named an NJCAA All-American, and five of Nelson's players were named all-conference. The 2005 season saw Nelson's players nab five all-region selections, and Gena Rhodes earned an NJCAA All-American honor. Leah Alexander earned All American status in 2003 and 2004. Nelson began her San Jac career in 2002, guiding her squad to a second-place conference finish that year. In all, Nelson's San Jac squads have garnered nine conference championships.

Nelson is no stranger to the Houston area nor to the NJCAA pathway for academics and athletics. Sharon grew up just south of the city in Manvel and graduated from Alvin High School in 1988. She was a student-athlete at Alvin Community College, graduating with Honors, as one of the honored student graduation speakers in 1990. While at Alvin, Nelson was an all-conference, all-region, All-American, and Academic all-region selection and helped lead her team to a second place conference finish. Following the NJCAA transfer pathways, she went on to play at Eastern New Mexico University, where she was a two-time all-conference and Academic All-American. Nelson holds a Bachelor of Science in Chemistry and Biology, and a Master's of Science in Biochemistry, both from Eastern New Mexico University.

Nelson and her husband, Tim, have been married for 18 years. Together, they have three children, Gaberiel (25), Haley (17), and Josef (13).

JEFF PEARCE
ASSISTANT COACH

University of Houston – Clear Lake (2010)
Sixth Season

Jeff Pearce is in his sixth season as an assistant coach with San Jacinto College. He came to San Jac from Galveston College, where he was the Whitecaps' head coach from 2003-2011, the last years of the program. During his tenure as head coach, Pearce had 15 student-athletes receive all-conference honors, nine receive Academic All-American honors (with a GPA of 3.60 or higher), and five of his eight teams were named Academic Team of the Year, posting a cumulative team GPA of 3.00 or higher.

At Galveston College, he served as an academic advisor to his team and maintained a 65 percent graduation rate with his student-athletes over his last five years at the college. Eighty percent of his student-athletes transferred on to four-year universities.

In 2007, Pearce was named the Region XIV Coach of the Year. He has also coached at the club level for 10 years at various clubs in the area and is still actively involved in the development of youth volleyball. He also teaches physical education courses at San Jacinto College.

Pearce holds a Bachelor of Science in Fitness and Human Performance from the University of Houston - Clear Lake (UHCL) and is currently pursuing a master's degree from UHCL. Pearce and his wife, Tiffany, reside in League City. The couple has three children, Keylan (7), Gavin (2), and Gabriel (5 months).

"I have always pushed my athletes past the point they thought was their limit, on the court and in the classroom. Being here at San Jacinto has given me a wider range, a bigger stage and vastly more opportunities to explore and continue this practice. Each day seems to open the door to a new and exciting challenge."

TROY RABON,
MAT/ATC/LAT
ATHLETIC TRAINER

10th Season

Troy Rabon is in his 10th year as an athletic trainer at San Jacinto College.

Rabon enjoys working at San Jacinto College because of the relationships he is able to build with coaches and student-athletes. "It's easier to develop strong and trusting relationships," he says. As for his philosophy on athletic training, Rabon states, "I just try to instill in all of my student-athletes that I'm always here to help them."

Rabon enjoys athletic training because he loves helping people and sports equally. For him, it is the perfect fit.

Prior to coming to San Jacinto College, Rabon worked on the collegiate level at the University of Texas, Texas Tech University, and Florida A&M University. He has also worked for the Dallas Cowboys and Atlanta Braves, in addition to a private position as a trainer for U.S. Olympic track and field athletes.

Rabon holds a bachelor's degree in kinesiology from the University of Texas, and a master's degree in Athletic Training from Texas Tech Health Sciences Center (2006). He resides in League City.

1987 SAN JACINTO COLLEGE VOLLEYBALL NATIONAL CHAMPIONS

With 12 national championships in its more than 50-year storied athletic history, San Jacinto College has a long and rich tradition of athletic success, both on the court and field, and in the classroom. This excellence has brought with it national and international exposure to the College and local community. Like many community college and four-year athletic programs, San Jacinto College also has a history of producing professional and Olympic athletes.

Divided among the three campuses, San Jacinto College, or San Jac as it has come to be known when referencing its athletics programs, has a variety of athletic opportunities for both male and female student-athletes. San Jac competes in six National Junior College Athletic Association (NJCAA) Division I teams: men's basketball, soccer and baseball; and women's basketball, softball and volleyball.

San Jac has won national titles in men's basketball, volleyball, baseball, and, track and field, as well as individual titles in tennis. Along the way, San Jacinto College has produced numerous All-Americans and Academic All-Americans, solidifying the success of San Jac student-athletes on the court and field and in the classroom.

Surrounded by the monuments of history, the industries and maritime enterprises of today, and the space age of tomorrow, San Jacinto College has been serving the citizens of East Harris County, Texas, since 1961. As one College with multiple locations, San Jacinto College has a location nearby the majority of our students. Our College brings people together for all kinds of academic pursuits, workforce training, continuing education, and frequent gatherings of civic, community, and non-profit groups.

San Jacinto College is committed to serving the citizens, businesses, and industries of East Harris County. At the core of our values is student success. In fact, we are a recognized leader in the national student completion movement. San Jacinto College was named an Achieving the Dream Leader College in 2011 and received this recognition again in 2014. We achieved this status through a direct focus on removing barriers for completion, enhancing support systems, and emphasizing academic excellence.

The College is also committed to developing a skilled and trained workforce to meet the growing demands of industry in our region. We partner with industry to ensure we are teaching the skills that make our students employable immediately upon completion of their program. We have created fast-track and stackable credentials to help meet that workforce need and to ensure students have a pathway as they progress in their careers.

At San Jacinto College, we know that not everyone is a "traditional" student. Goals and scheduling demands are unique, so we offer courses during the day, during the evening, on weekends, and online. San Jacinto College students choose from 186 degrees and certificates in 46 technical programs and university transfer pathways. Our corporate partners benefit from a robust training program through the Continuing and Professional Development division, which also offers leisure learning classes and programs for K-12 teachers through the Aerospace Academy.

San Jacinto College continues to lead in the Gulf Coast through grant-funded partnerships and collaboration with other colleges and organizations. These funds support student success through academic programs and initiatives promoting college retention and completion, regional workforce training, scholarships and tuition in various student programs, and create pathways to higher education and the workforce for middle and high school students.

Whatever path you take, you'll find a friendly, big-hearted community at San Jacinto College.
