Kelly Saenz

**Head Coach
Eastern Kentucky University (1998)
Overall record: 239-152-1 (seven seasons)**

Entering her eighth season at San Jacinto College, head coach Kelly Saenz has built a respected softball program that has taken San Jac to new levels. Since her arrival at the SJC South campus more than seven years ago, Saenz's teams have won nearly 61 percent of their games, and did what many thought they couldn't do in 2008 – earn a berth in the National Junior College Athletic Association (NJCAA) national tournament.

Last season, San Jac finished with a 31-29-1 record, and a surprising third place finish at the conference tournament. Six players were named to the All-South Region team, and two earned NJCAA Region XIV All-Conference honors. In addition, three went on to continue their softball and education careers at four-year universities but eight had offers and 4 had multiple offers.

In 2009, Saenz guided San Jac to a 43-19 overall record, 23-9 in conference play, and a fifth place finish in the Region XIV South Zone. Four of Saenz's players earned NJCAA and National Fastpitch Coaches Association (NFCA) honors, including Kelsey McClain and Courtney Pettit, who were NFCA second-team All-Americans. McClain and Pettit also combined for eight school records, leading San Jac to another 40-win season.

Saenz's team posted the most successful season in school history in 2008 when they won the conference tournament, advanced to the national tournament for the first time in school history, and finished fourth in the nation. Three players were named to the all-region team and NJCAA national tournament All-Tournament team, four to the NFCA All-Midwest region team, and two to the NFCA All-American team. Saenz led the squad to a 41-17 overall record, the most single-season wins at San Jac for Saenz, and her coaching staff earned the NFCA Regional Coaching Staff of the Year award for the Midwest Region.

Saenz's teams and players have had much of the same success since her arrival at the College in 2004. In 2006 and 2007, Saenz guided San Jac to sixth-place finishes at the regional tournament. In 2007, three players were named to the all-region team, as well as to the NFCA all-Midwest region team, while each season saw three student-athletes continue their academic and softball careers at NCAA institutions.

In 2004 and 2005, Saenz's first two seasons at the helm of the San Jac program, her teams finished second and fourth, respectively, at the conference tournament. The 2005 team posted a 35-23 overall record with four players named to the Region XIV all-conference team and three NFCA all-Americans. In 2004, Saenz's first season, her team posted a 38-23 overall mark.

Saenz began her collegiate coaching career at University of San Diego (USD) team as grad assistant for two years, at Frank Phillips College in Borger, Texas, to start that program, where she spent the 2003 season with the Lady Plainsmen.

Saenz holds a bachelor's degree from Eastern Kentucky University, where she was the 1998 Ohio Valley Conference Player of the Year. She went on to earn her master's degree from the University of South Dakota. Saenz and her husband, Mike, reside in Houston.

Dionna Lopez

**Assistant Coach
Eighth Season
University of Incarnate Word (2000)**

Dionna Lopez, a record-setting pitcher at San Jacinto College, is back for her sixth season as an assistant coach.

Lopez played during the 1997 and 1998 season for San Jac and ranks among the all-time leaders in single-season wins (16), earned run average (1.24 in 1997) and shutouts in a single season (9 in 1998).

After leaving San Jacinto College, Lopez played two seasons at the University of the Incarnate Word, where she ranks among the Cardinals' best in career wins (27). Lopez now teaches in the Pasadena Independent School District. Her main responsibility lies with the San Jac pitchers.

Kevin Mentzel

Assistant Coach

Kevin Mentzel is in his fourth year as an assistant coach with San Jac, where his primary duties lie with the hitters. Mentzel is no stranger to the coaching ranks, with over 20 years experience. He coached baseball for five years, and also coached with the Texas Ultimates and the Humble Cobras.

Mentzel and his wife, Ginger, live in Alvin with their two daughters Torie and Shauna.

James Perry

Assistant Coach

James Perry is in his fourth year as an assistant coach at San Jac. Prior to arriving at the South campus, Perry coached travel ball for 17 years with the Texas Ultimates and Humble Cobras. He works primarily with the hitters and the mental aspect of the game.

Perry and his wife, Gaye, have been married for 29 years and reside in Alvin. The couple has two daughters, Lanae (27) is married and resides in Santa Fe, Texas; and Torie (24), who resides in Alvin. Both daughters played softball, Lanae at Alvin Community College, and Torie at Houston Baptist University. In his spare time, Perry likes to hunt.

Troy Rabon, MAT, ATC, LAT

Athletic Trainer

Troy Rabon, MAT, ATC, LAT, is in his fourth year as an athletic trainer at San Jacinto College. He works primarily with softball, men's soccer, men's basketball, and the San Jac cheer squad.

Rabon enjoys working at San Jacinto College because of the relationships he is able to build with coaches and student-athletes. "It's easier to develop strong and trusting relationships," he says. As for his philosophy on athletic training, Rabon states, "I just try to instill in all of my student-athletes that I'm always here to help them."

Rabon enjoys athletic training because he loves helping people and sports equally. For him, it was the perfect fit.

Prior to coming to San Jacinto College, Rabon worked on the collegiate level at the University of Texas, Texas Tech University, and Florida A&M University. He has also worked for the Dallas Cowboys and Atlanta Braves, in addition to a private position as a trainer for US Olympic track and field athletes.

Rabon holds a bachelor's degree in kinesiology from the University of Texas, and a master's in athletic training from Texas Tech Health Sciences Center. He resides in League City.

Surrounded by the monuments of history, the industries and maritime enterprises of today, and the space age of tomorrow, San Jacinto College is now in its 48th year of serving the citizens of East Harris County, Texas. The service area includes the Channelview, Deer Park, Galena Park, La Porte, Pasadena and Sheldon Independent School Districts, as well as portions of the Humble, Pearland, and Clear Creek school districts.

The college roots date back to May of 1960 when voters in the district approved the creation of East Harris County Union Junior College and a seven-member Board of Regents was established. The name was changed a few times over its history to its current San Jacinto Community College District, although it has always been informally referred to as San Jacinto College. In September of 1961, 876 students attended the College at its location in Pasadena. Since then, the College has grown to include three campuses, seven extension centers, a continuing and professional development division, distance learning, a dual credit program with local high schools, an early college high school in cooperation with Clear Creek ISD, and an enrollment of over 25,000 credit students each semester.

San Jacinto College is committed to the citizens of East Harris County. At the core of our values is student success... the reason for our being. Our comprehensive community college mission is to empower students who come with a wide variety of goals to find the assistance they need at their college, San Jacinto College. Our commitment to the community is to assist in developing a skilled and trained workforce through the Continuing & Professional Development (CPD) division, which offers programs and courses for individuals to retain or advance in their jobs, or make career transitions.

We have made a strong commitment to academic excellence. Our students choose from more than 140 programs in a variety of fields including academic transfer programs to four-year institutions and a wide variety of technical and workforce training programs. Our award-winning faculty members are passionate about teaching.

The College has placed an emphasis on upgrading facilities and technology to support student learning for the last ten years. From the 1999 Bond Election, the College's three campuses have state-of-the-art Interactive Learning Centers and Fine Arts Centers. In May 2008, the College passed a \$295 million bond referendum to further enhance student success. Through these funds, we will continue to upgrade facilities, especially in the areas of science and allied health. We are committed to upgrading our libraries and will create one-stop shop resources so students have one place to go to get the services they need.

Students who attend San Jacinto College are offered a wide array of services, ranging from tutoring and advising at the Student Success Centers, to financial aid assistance from knowledgeable and well-trained financial aid advisors. Students are also provided career assessment testing and assistance with résumés and interviews for employment. San Jacinto College offers assistance with enrollment, and the special populations office provides assistance for students with certain disabilities and / or impairments.

Students come to San Jacinto College with various goals and aspirations, and we remain committed to their success. San Jacinto College. Your Goals. Your College.
