

# INDUSTRIAL EMPLOYER MEETUP

Tuesday, August 1, 2017 | 3:00 PM - 7:00 PM  
Building N-33 (Center for Industrial Technology- North Campus)

Meet with professionals from a wide array of companies to network, gain valuable information and advice, discuss career paths within their organizations, and the education needed to get there!

Meet with instructors from San Jac Industrial Technology departments to learn how to advance your skills and knowledge to get that career started!

Staff from Admissions, Financial Aid, Career Services, and Advising will be on hand to answer any of your academic and career planning needs!

Attend a LinkedIn breakout session to learn how to build a LinkedIn profile that gets noticed, and learn how to leverage social media to locate opportunities!

**Representatives from the following industries\* will be present to meet with YOU!**

Engineering Design Graphics/Drafting, Construction Management, HVAC, Diesel Technology, Pipefitting, & Welding

*\*Remember that these companies may offer more types of positions than what comes to mind!*

**For more information, contact Timothy Binns at [timothy.binns@sjcd.edu](mailto:timothy.binns@sjcd.edu) or 281-459-7156!**
